## Support for any challenge across your school - The Key

In partnership with **London Diocesan Board for Schools**, your school is eligible for access to all of The Key's services..

We believe that positive change happens in schools when education leaders are empowered to take meaningful action. Great leadership at all levels requires context, confidence and **the knowledge to act.**

We invest in people, content and systems that support over 160,000 school leaders and governors in 16,000 schools across the UK.

Here are your options of the packages you can take out with The Key:

**The Key Leaders** The Key Leaders is the only support service trusted by over half of all schools in England as they navigate each and every challenge thrown their way - even the ones they don't see coming.

**The Key Safeguarding** The Key Safeguarding is the only service that supports your DSL and every single member of staff to get safeguarding right, every time. With a unique blend of DSL leadership resources, eLearning for all staff, parent resources, plus the most comprehensive INSET pack on the market, you'll keep safeguarding at the front of everyone's mind all year round.

### **The Key CPD**

Bitesize on-demand video case studies, CPD that features practising teachers and school leaders sharing what they know works. A suite of downloadable and editable resources which means you have all you need to develop and deepen your staff's skills and knowledge in-house.
