Dear Applicant,

I am thrilled that you have chosen to apply for the Deputy Headteacher position at St Peter's.

St Peter's is a fantastic place to work – the teachers, teaching assistants and all other members of staff work well together to form a friendly and supportive team that is committed to ensuring all children achieve their best. Our experienced teaching assistants provide much needed help within classes as well as delivering intervention programmes to groups of children. Everyone supports each other in all sorts of ways, whether sharing ideas, discussing planning or just being a friend.

St Peter's is a small multicultural school of 200 pupils in Westminster. The children come from a range of social and economic backgrounds and the majority live within walking distance to the school. St Peter's is a very popular school and is highly regarded in the local community. Parents and governors are very supportive.

Children are at the heart of the school ethos. We are a successful, Rights Respecting school and we have eight school values which underpin our curriculum.

Maths, English, Science and RE are important in the curriculum, however we are also dedicated to providing children with a rich variety of opportunities across all subjects. We are particularly keen to develop the arts and creativity.

We are committed to high standards and we never make excuses for children. We find St Peter's children work hard and enjoy being challenged. It is a real joy to work with children who are self-motivated, enjoy each other's company and are a delight to teach. Likewise, the staff at St Peter's work extremely hard and are all prepared to go the extra mile. Our last Ofsted report in June 2023 was outstanding which we were thrilled about.

We are all very proud of the secure, stimulating environment we provide and we are looking forward to welcoming someone new into the Leadership Team to help the school move forward with our aim of achieving excellence.

I am very much looking forward to meeting you and I am sure you will be impressed with our school. If you have any questions you would like to ask; please do not hesitate to contact me.

Yours Sincerely
