

North Street, Isleworth Middlesex TW7 6RQ  
Headteacher: Ms Rachel Jones MA NPQH FRSA

020 8560 6721  
Chair of Governors: Mrs Stephanie Ajayi

19th April, 2024

Dear Colleague,

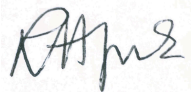

Thank you for expressing interest in teaching at The Blue School. Our school has a strong Christian vision, which informs all that we do. We are a calm and friendly community where good manners and kind behaviour are the norm. You will join a team of supportive colleagues and a community where all members are valued. You are welcome to visit school or to have a phone conversation before applying.

We are looking for an experienced candidate who is comfortable with teaching in either KS1 or KS2. This is a permanent post and has the potential for a phase lead opportunity.

Please find the Job Description and Person Specification with this letter. To apply, please complete an application form and respond to the Person Specification in your supporting statement (this is a section of the form or you can write it as a separate document). Please restrict your supporting statement to no more than two pages of A4 font size 11. The Person Specification indicates which areas we will assess at which stage of the process. Please respond specifically to the points marked AF (Application Form). Please do not be deterred by any minor gaps in knowledge or experience, but express the knowledge you have or your perspective on that point. You do not need to respond in detail to points which will be assessed during the interview and selection tasks or through references. Please send completed application and supporting statement to Mrs Kassanis, Office Manager via [office@theblueschool.com](mailto:office@theblueschool.com)

I am deeply committed to ensuring that The Blue School is successful and happy for children and staff, and look forward to receiving your application.

Best wishes,

Rachel Jones  
Headteacher
